Hi Stan

We just sent Jon Gabry's comments to Jim yesterday. I believe Jim plans on distributing them today.

I see that you also requested that Jim send you the Grumman's comments on the report; I have attached those here along with the Navy comments.

Note that we just got the white paper on discharge of treated water earlier in the week. It is a two page chart. DEC is reviewing; I am not sure whether it fits the bill for what they wanted to share with NYSDOH prior to asking DOH senior management to participate in a discussion of discharge options.

Doug,
Has the EPA commented on the CSIA results? Can I please have a copy?

Thank you,

Stan Carey, Superintendent
Massapequa Water District
